

SWIMMING POOL

A rose, by any another, as smell as sweet. ----- William Shakespere

The temple in Mesopotamian Plain,
With marble inlay to tessellate totem, which is the earliest mosaic.
The birth of mosaic indicates a new esthetics miracle.

Until the end of 19 century,
In Spain, Antoni Gaudi put mosaic into an architecture art.
From then on, mosaic has been widely used as a decoration material.
And mosaic become an independent decorative art.

Designed with passion, a source of thoughtful appreciation
